Transportation Camp 2020
June 22 - June 26
8:00am - 5:00pm
Lunch & Transportation Provided Non-Residential.
FREE!

Explore engineering during this week-long event dedicated to introducing 2020 - 2021 8th - 9th grade school students to the transportation industry.

Participants will engage in hands on activities while working with industry professionals and faculty of the University of Utah. Students will learn about what transportation engineers do by participating in field trips, lab activities, demonstrations & speakers.
