**Appeals Procedures**

*See the Code of Student Rights and Responsibilities, located in the Class Schedule or on the UoU Web site for more details*

**Appeals of Grades and other Academic Actions**

If a student believes that an academic action is arbitrary or capricious he/she should discuss the action with the involved faculty member and attempt to resolve. If unable to resolve, the student may appeal the action in accordance with the following procedure:

1. **Appeal to Department Chair (in writing)** within 40 business days; chair must notify student of a decision within 15 days. If faculty member or student disagrees with decision, then,
2. **Appeal to Academic Appeals Committee (see https://www.coe.utah.edu/students/academic-affairs/academics/ for members of committee)**. See II Section D, Code of Student Rights and Responsibilities for details on Academic Appeals Committee hearings.

**Withdrawal Procedures**

*See the Class Schedule or web for more details***

**Please note the difference between the terms “drop” and “withdraw”**.

Drop implies that the student will not be held financially responsible and a “W” will not be listed on the transcript. Withdraw means that a “W” will appear on the student’s transcript and tuition will be charged. **

**Drop Period For Full Term Classes– No Penalty**

Students may DROP full term classes without penalty or permission during the FIRST TEN academic days of the term (Friday, September 4, 2020).

**Withdrawal from Full Term Length Classes**

Students may WITHDRAW from full term classes without petition Friday, October 16, 2020. Beginning September 5th until October 16th, a “W” will appear on the transcript AND tuition will be charged. Refer to Class Schedule, Tuition and Fees for tuition information.

**Drop/Withdrawal from Session I & Session II**

See the web page for details: https://registrar.utah.edu/academic-calendars/fall2020.php

Withdrawals for term length classes after October 16th will only be granted due to compelling, nonacademic emergencies. A petition and supporting documentation must be submitted to the Dean’s Office. Please email a.vritis-curran@utah.edu for more info. Petitions must be received before the last day of classes (December 3, 2020).

**Repeating Courses**

When a College of Engineering class is taken more than once, only the grade for the second attempt is counted. Grades of W, I, or V on the student's record count as having taken the class. Departments enforce these guidelines for other courses as well (e.g., math, physics biology, chemistry). Attempts of courses taken at transfer institutions count as one attempt. This means a student may take the course only one time at the University of Utah. Courses taken at the University of Utah may not be taken a second time at another institution. If a second attempt is needed, it must be at the University of Utah. Please work with your department advisor to determine the value of repeating courses. **Students should note that anyone who takes a required class twice and does not have a satisfactory grade the second time may not be able to graduate. It is the responsibility of the student to work with the department of their major to determine how this policy applies in extenuating circumstances.**

**Americans with Disabilities Act (ADA)**

The University of Utah seeks to provide equal access to its programs, services, and activities for people with disabilities. If you need accommodations in a class, reasonable prior notice needs to be given to the instructor and to the Center for Disability Services, 162 Olpin Union, 581-5020 (V/TDD) to make arrangements for accommodations. All written information in a course can be made available in alternative format with prior notification to the Center for Disability Services.

**Adding Classes-Full Term**

*Please read carefully*: All classes must be added within **10 academic days** of the beginning of the semester (deadline: Friday, September 4, 2020). Late adds will be allowed September 5-September 14 requiring only the instructor’s signature. Any request to add a class after September 14th will require signatures from the instructor, department, and Dean, and need to be accompanied by a petition letter to the Dean's office.

**A $50 FEE WILL BE ASSESSED BY THE REGISTRAR’S OFFICE FOR ADDING CLASSES AFTER September 14th.***

***Before you elect to take a class CR/NC you should check with your Advisor. Core classes used to compute your Engineering GPA need letter grades.***
