Appeals Procedures
See the Code of Student Rights and Responsibilities, located in the Class Schedule or on the UofU Web site for more details

Appeals of Grades and other Academic Actions
If a student believes that an academic action is arbitrary or capricious he/she should discuss the action with the involved faculty member and attempt to resolve. If unable to resolve, the student may appeal the action in accordance with the following procedure:

1. Appeal to Department Chair (in writing) within 40 business days; chair must notify student of a decision within 15 days. If faculty member or student disagrees with decision, then,
2. Appeal to Academic Appeals Committee (see https://www.coe.utah.edu/students/academic-affairs/academics/ for members of committee). See II Section D, Code of Student Rights and Responsibilities for details on Academic Appeals Committee hearings.

Withdrawal Procedures
See the Class Schedule or web for more details ** Please note the difference between the terms “drop” and “withdraw”.

Drop Period For Full Term Classes– No Penalty
Students may DROP any class without penalty or permission during the FIRST TEN academic days of the term (Friday, September 2, 2022).

Withdrawal from Full Term Length Classes
Students may WITHDRAW from classes without petition Friday, October 21, 2022. Beginning September 3rd until October 21, a “W” will appear on the transcript AND tuition will be charged. Refer to Class Schedule, Tuition and Fees for tuition information.

Drop/Withdrawal from Session I & Session II
See the web page for details:
https://registrar.utah.edu/academic-calendars/fall2022.php

Withdrawals for term length classes after October 21st will only be granted due to compelling, nonacademic emergencies. A petition and supporting documentation must be submitted to the Dean's Office, 1704 Warnock Engineering Building. Petitions must be received before the last day of classes (December 8, 2022).

Repeating Courses
When a College of Engineering class is taken more than once, only the grade for the second attempt is counted. Grades of W, I, or V on the student's record count as having taken the class. Departments enforce these guidelines for other courses as well (e.g., math, physics, biology, chemistry). Attempts of courses taken at transfer institutions count as one attempt. This means a student may take the course only one time at the University of Utah. Courses taken at the University of Utah may not be taken a second time at another institution. If a second attempt is needed, it must be at the University of Utah. Please work with your department advisor to determine the value of repeating courses. Students should note that anyone who takes a required class twice and does not have a satisfactory grade the second time may not be able to graduate. It is the responsibility of the student to work with the department of their major to determine how this policy applies in extenuating circumstances.

Americans with Disabilities Act (ADA)
The University of Utah seeks to provide equal access to its programs, services, and activities for people with disabilities. If you need accommodations in a class, reasonable prior notice needs to be given to the instructor and to the Center for Disability Services, 162 Olpin Union, 581-5020 (V/TDD) to make arrangements for accommodations. All written information in a course can be made available in alternative format with prior notification to the Center for Disability Services.

Adding Classes-Full Term
Please read carefully: All classes must be added within 10 academic days of the beginning of the semester (deadline: Friday, September 2, 2022). Late adds will be allowed September 5-9, requiring only the instructor’s signature. Any request to add a class after September 9 will require signatures from the instructor, department, and Dean, and need to be accompanied by a petition letter to the Dean’s office.

A $50 FEE WILL BE ASSESSED BY THE REGISTRAR'S OFFICE FOR ADDING CLASSES AFTER SEPTEMBER 9. ***

****Before you elect to take a class CR/NC you should check with your Advisor. Core classes used to compute your Engineering GPA need letter grades.
