Questions about the PDE, William Britt and Mahroni Faber scholarships may be addressed to Deidre Schoenfeld at dschoenfeld@coe.utah.edu. Please contact Dianne Leonard at dieleonard@coe.utah.edu for questions on the College of Engineering Transfer scholarship. All other scholarship questions may be addressed to Monica Heaton at mheaton@coe.utah.edu. Please pay close attention to scholarships’ requirements – i.e. some scholarships are specific to certain departments.

**Arel Berrier**
- **Amount:** $2,000 (multiple available)
- **Eligibility:** Complete two (2) full semesters during the academic year (min. 12 credits per semester)
- **Status:** Full major status AND Junior AND/OR Senior Status (have 1 or 2 years left of courses left before graduating from the engineering program)
- **Residency:** U.S. Citizen
- **GPA:** 3.7 GPA or higher
- **Special Criteria:** May not be granted in addition to College or Departmental Scholarships

**William Britt**
- **Amount:** $1,000 (multiple available)
- **Eligibility:** Complete two (2) full semesters during the academic year (min. 12 credits per semester)
- **Status:** Intermediate or Full Major Status in any engineering major
- **Residency:** U.S. Citizen
- **GPA:** 2.5 GPA or higher
- **Special Criteria:** Preference given to Hispanic students

**Chevron**
- **Amount:** $2,000 (multiple available)
- **Eligibility:** Complete two (2) full semesters during the academic year (min. 12 credits per semester)
- **Status:** ChemE, MechE, EE students only may apply for this scholarship
- **Residency:** U.S. Citizen
- **GPA:** 3.5 GPA or higher
- **Special Criteria:** Essay on your leadership experience/skills leadership skills

**Clyde Christensen Freshman Scholarship**
- **Amount:** $1,500 (multiple available)
- **Eligibility:** Complete two (2) full semesters during the academic year (min. 12 credits per semester)
- **Status:** Pre-engineering students only may apply for this scholarship
- **Residency:** U.S. Citizen
- **GPA:** 3.5 GPA or higher
- **Special Criteria:** Available to incoming freshman

**College of Engineering Distinguished Service Award**
- **Amount:** $2,500
- **Eligibility:** Complete two (2) full semesters during the academic year (min. 12 credits per semester)
- **Status:** Must have achieved at least intermediate status in any engineering major except
- **Residency:** U.S. Citizen
- **GPA:** 3.0 GPA or higher
- **Special Criteria:** For a student who has provided outstanding service to the college in support of its mission and has demonstrated a quality education.

**College of Engineering Scholarship**
- **Amount:** up to $5,000 (multiple available)
- **Eligibility:** Complete two (2) full semesters during the academic year (min. 12 credits per semester)
- **Status:** Must have achieved at least intermediate status in any engineering major
- **Residency:** U.S. Citizen or Permanent Resident
- **GPA:** 3.0 GPA or higher
- **Special Criteria:** Consideration of financial need

**College of Engineering Transfer Scholarship**
- **Amount:** up to $4000 (multiple available)
- **Eligibility:** Available to students transferring to the University of Utah from any accredited two or four year institution (at least 30 transferable semester hours). Must be matriculated. Must be registered for at least 12 credit hours semester of award.
- **Status:** Pre-engineering, Intermediate, or Full Major status in any engineering major
- **Residency:** U.S. Citizen or Permanent Resident
- **GPA:** 3.0 GPA or higher
Shirley L. & Kathelyne O. Evans Scholarship
Amount: $1,000 (multiple available)
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: Pre-engineering, Intermediate, or Full Major status in any engineering major
Residency: U.S. Citizen or Permanent Resident
GPA: 3.0 GPA or higher

FL Smidth Scholarship
Amount: $1,500 (multiple available)
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: Full major status AND Junior AND/OR Senior Status (have 1 or 2 years left of courses left before graduating from the engineering program) Open to ChemE, Civil & Environmental, Electrical, MechE, and Materials Science students only.
Residency: Long-Term Utah Resident and U.S. Citizen
GPA: 3.0 GPA or higher
Special Criteria: Essay on interest in consulting engineering

Dennis and Judith Grimes Undergraduate Scholarship
Amount: $5,000   (may be renewed based on maintaining at least a 3.6 GPA)
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: Must have achieved at least intermediate status in any engineering major except Civil
Residency: U.S. Citizen or Permanent Resident
GPA: 3.6 GPA or higher
Special Criteria: Demonstrated financial need; May not be granted in addition to College or Departmental Scholarships

Hakon H. Hanglund Financial Need-Based Scholarship
Amount: up to $5,000
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: Must have achieved at least intermediate status in any engineering major
Residency: U.S. Citizen or Permanent Resident
GPA: 2.5 GPA or higher
Special Criteria: Essay explaining the financial challenges and difficult circumstances that have impacted you. Must have demonstrated financial need.

HI-GEAR Scholarship
Amount: up to $1,000 (multiple available)
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: Pre-engineering freshman students
Residency: U.S. Citizen or Permanent Resident
GPA: 3.0 GPA or higher
Special Criteria: Available to female high school students through HI-GEAR summer program

IM Flash
Amount: Up to 8 scholarships @ $5,000
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: EE, MechE, ChemE, CE and MatSciE students only may apply for this scholarship
Residency: U.S. Citizen or Permanent Resident
GPA: 3.5 GPA or higher
Special Criteria: Consideration of Financial Need; may not be granted in addition to College or Departmental Scholarships

Mahroni Faber
Amount: $2,000
Eligibility: Complete two (2) full semesters during the academic year (min. 6 credits per semester)
Status: Pre-Engineering, Intermediate, Full Major – Must be a Woman - Preference given in the following order: single working (20 hours or more) mothers, single mother, working single woman, single woman
Residency: U.S. Citizen
GPA: 3.0 GPA or higher
Special Criteria: Consideration of Financial Need

Jorgensen Family Scholarship
Amount: $3,000 (multiple available)
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: Pre-Engineering or intermediate status in any engineering major.
Residency: U.S. Citizen
GPA: 3.0 GPA or higher
Special Criteria: Essay explaining the financial challenges and difficult circumstances that have impacted you. Must have demonstrated financial need.
Merrill Engineering Scholars
Amount: $3,000 (multiple available)
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: Pre-engineering freshman students
Residency: U.S. Citizen
GPA: 3.0 GPA or higher
Special Criteria: Pairs outstanding first year students with cutting edge research projects

MESA STEP Scholarship
Amount: $1,000 (multiple available)
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: For underrepresented students interested in engineering, science, or math related fields
Residency: U.S. Citizen
GPA: 3.0 GPA or higher
Special Criteria: Diversity scholarship

John J. Murray, Jr. & Ida L. Murray Scholarship
Amount: Up to $2,000 (multiple available)
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: Pre-engineering, Intermediate, or Full Major status in any engineering major
Residency: U.S. Citizen
GPA: 2.8 GPA or higher
Special Criteria: Demonstrated financial need AND at least part-time employment

Oblad Energy Scholarship
Amount: $2,500 (multiple available)
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: Full major status in ChemE, Civil, EE, or MechE AND Senior Status (fourth year senior by fall of next year)
Residency: U.S. Citizen
GPA: 3.0 GPA or higher
Special Criteria: Essay on interest in a career in the development and/or utilization of energy resources for the benefit of mankind.

Parker-Hannifin Scholarship
Amount: $1,500
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: Intermediate Status or Full-Major Status in MechE
Residency: U.S. Citizen
GPA: 3.0 GPA or higher

R.S. Peterson
Amount: $2,000 (multiple available)
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: Pre-engineering, Intermediate, or Full Major status in any engineering major
Residency: U.S. Citizen AND Utah Resident
GPA: 3.0 GPA or higher
Special Criteria: Must be a graduate of the Jordan or Canyons School Districts, preference given to those who show financial need

Program for Diversity (PDE)
Amount: $750-$1,500 (multiple available)
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: Pre-Engineering, Intermediate Status or Full Major - Underrepresented in Engineering (i.e. women, ethnic minorities)
Residency: U.S. Citizen or Permanent Resident
GPA: 2.5 GPA or higher
Special Criteria: Financial Need
**Simon Ramo**
Amount: $5,000
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: Full major status **AND** Junior **AND/OR** Senior Status (have 1 or 2 years left of courses left before graduating from the engineering program)
Residency: Long-Term Utah Resident **AND** U.S. Citizen
GPA: 3.7 GPA or higher
Special Criteria: May not be granted in addition to College or Departmental Scholarships.

**David E. & Carol C. Salisbury Scholarship**
Amount: $2,000 (multiple available)
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: Must have achieved at least intermediate status in any engineering major
Residency: U.S. Citizen **AND** Utah Resident
GPA: 3.0 GPA or higher

**Gerald B. Stringfellow Undergraduate Scholarship**
Amount: $1,000
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: Must have achieved at least intermediate status in any engineering major
Residency: U.S. Citizen
GPA: 3.0 GPA or higher

**Surface Mount Technology Association Scholarship**
Amount: $1,000
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: EE students only. Full major status **AND** Sophomore **OR** Junior Status
Residency: U.S. Citizen
GPA: 3.0 GPA or higher

**Winnie M. Thornton Memorial Scholarship**
Amount: $2,000
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: Full major status in any engineering major **AND** Junior **AND/OR** Senior Status.
Residency: U.S. Citizen
GPA: 3.0 GPA or higher

**Van Boerum and Frank Associates**
Amount: $1,000
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: ME Student only, full major status **AND** Junior **AND/OR** Senior Status, MUST have graduated from Utah HS
Residency: U.S. Citizen
GPA: 3.0 GPA or higher
Special Criteria: Essay demonstrating professional goals and career interests in consulting or construction engineering

**Various Alumni Scholarships**
Amount: up to $4,000 (multiple available)
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: Pre-engineering, intermediate, or full major status in any engineering major
Residency: U.S. Citizen
GPA: 3.0 GPA or higher
Special Criteria: As designated by donors

**Williams Companies Foundation, Inc.**
Amount: $2,500 (multiple)
Eligibility: Complete two (2) full semesters during the academic year (min. 12 credits per semester)
Status: ChE, CvEE, ECE, or ME students only, Full major status **AND** Sophomore **OR** Junior Status
Residency: U.S. Citizen
GPA: 3.0 GPA or higher
Special Criteria: Essay demonstrating how our diversity makes us strong; and on the most influential person you know, what made them influential, what impact they had on you and why.
